

# THE BICARBONATE EXPERTS™

**Arm & Hammer™ provides end-to-end traceability for a secure supply of high-quality bicarbonates.**

Our food grade products are compliant with the FDA Food Safety Modernization Act, to prevent contamination and foodborne illnesses.

Certified to  
NSF/ANSI/CAN 60

Developed by a team of scientists, industry experts and stakeholders, NSF/ANSI / CAN 60 sets health effects criteria for many water treatment chemicals.

Arm & Hammer™ food grade products are Certified Halal by the Islamic Food and Nutrition Council of America (IFANCA).

Arm & Hammer™ food grade bicarbonate products are fully compliant with USP monograph requirements.

Arm & Hammer™ has established stringent Hazard Analysis Critical Control Point (HACCP) monitoring and control processes.

The OMRI Listed® Seal assures the suitability of products for certified organic production, handling, and processing.

The Orthodox Union has certified our food grade products as kosher for your Passover and year-round applications.
