To Whom It May Concern:

Re: Church & Dwight Co., Inc. Corporate Responsibility

The elements of the Church & Dwight Co., Inc. commitment to Responsibility and Sustainability can be found on the corporate website.

- Responsibility: <https://churchdwight.com/responsibility/>
- 2024 Sustainability Report: <https://churchdwight.com/pdf/Sustainability/2024-Sustainability-Report.pdf>
- Global Operations Guiding Principles: <https://churchdwight.com/responsibility/guiding-principles.aspx>.
- Code of Conduct: https://s203.q4cdn.com/233583214/files/doc_downloads/gov/CD_COC.pdf.
- Investors Relations: <https://investor.churchdwight.com/overview/default.aspx>

Our principles are also significantly aligned with the Ethical Trading Initiative Base Code (<http://www.ethicaltrade.org/eti-base-code>) (the "ETI Base Code") and the methodology and guidance documents provided by Sedex (<http://www.sedexglobal.com>), which provide a universally recognizable and common framework. While these principles focus on our expectations and requirements for our vendors and those in their supply chain, we require our people to comply with them too.

Feel free to contact me for further information.
