To Whom It May Concern:

Re: Church & Dwight Co., Inc. Potassium Bicarbonate KODA™ Heavy Metals/Purity Criteria

The product shall conform to the specification of the Food Chemicals Codex and to all aspects of GB Regulations (which include retained EU law), with particular reference to:

Relevant legal purity criteria for food-grade substances; specifically, Commission Regulation (EU) No 231/2012 specifications for food additives listed in Annexes II and III to Regulation (EC) No 1333/2008 (repealing Directive 2008/84/EC).

Relevant purity criteria are outlined in Commission Regulation (EU) No 231/2012 and amendments; and with Commission Regulation (EU) 2023/915 (repealing Regulation (EC) No 1881/2006) and subsequent amendments, setting maximum levels for contaminants in foodstuffs, including mycotoxins and heavy metals.

Commission Regulation (EU) No 231/2012:
