Re: Church & Dwight Co., Inc. – Arm & Hammer™ Sodium Bicarbonate Product Lot Codes

Lot codes for Church & Dwight Sodium Bicarbonate products adhere to the following format:

XXYDDD

Where:

XX is a two-letter designation for the manufacturing location.

Y is the last digit of the year of manufacturing.

DDD is the Julian day of manufacture.

Trailing digits may indicate shift, etc.

Plant Designation	Plant	Products Produced
