To Whom It May Concern:

Re: Church & Dwight Co., Inc. Arm & Hammer™ Ammonium Bicarbonate Treated and Untreated Materials associated with Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE)

Church & Dwight Co., Inc. Arm & Hammer Ammonium Bicarbonate and Ammonium Bicarbonate Treated do not contain, do not come into contact with, nor are they manufactured using any animal fats or byproducts including bovine, ovine, or caprine tissues, their derived ingredients, or human blood products.

The closed, dedicated system used to manufacture and package these products does not allow for cross-contamination with the materials in question.

Please feel free to contact me with any questions.
