Re: Church & Dwight Co., Inc. Arm & Hammer™ Flow K™ Potassium Bicarbonate - Materials associated with Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE)

Church & Dwight Co., Inc. Flow K Potassium Bicarbonate does not contain, does not come into contact with, nor is it manufactured using any animal fats or byproducts including bovine, ovine, or caprine tissues, their derived ingredients, or human blood products.

The system used to manufacture and package this product does not allow for cross-contamination with the materials in question.

Please feel free to contact me with any questions.
